

Attention OTED Applicants

- NBCOT will accept all applications with payment, which site an entry-level occupational therapy baccalaureate degree, postmarked by January 1, 2013. See key dates [here](#).
- Please do not expect to hear from NBCOT regarding your application until after January 20th
- Beginning January 2nd ALL OTED questions must be sent to NBCOT by email - voicemail messages will not be returned
- Please be sure to send your application via traceable mail (FedEx, UPS, etc.). You can use your tracking number to determine if your package has been delivered to our office.

If during the review process it is determined that additional information is needed from the applicant, the review process is delayed until all information has been received. In these cases, the entire OTED process may take several more weeks or months to complete.

Applicants should plan accordingly, and consider the time it will take for all documentation to be received and reviewed by NBCOT®, and the time required for overseas mailing. Many factors beyond the control of NBCOT may influence the processing time of the OTED application

Inquiries related to the OTED process should be directed to oted@nbcot.org
