The National Board for Certification in Occupational Therapy, Inc. (NBCOT®) is the national certification body for occupational therapy professionals in the United States.

The mission of NBCOT is to serve the public interest by advancing client care and professional practice through evidence-based certification standards and the validation of knowledge essential for effective practice in occupational therapy. NBCOT’s vision is certified occupational therapy professionals providing effective evidence-based services across all areas of practice worldwide.

Currently 50 states, Guam, Puerto Rico, and the District of Columbia require NBCOT initial certification for occupational therapy state regulation (e.g., licensing).

NBCOT certification programs have received and maintained accreditation by the American National Standards Institute (ANSI) and the National Commission for Certifying Agencies (NCCA). NBCOT is a proud member of the Institute for Credentialing Excellence (ICE).

This handbook has been developed to provide you with the information you will need to complete and submit your VCVC application.
In September 2003, the Illegal Immigration Reform and Immigration Responsibility Act of 1996 (IIRIRA) became effective. This rule requires that all immigrants and non-immigrants coming to the United States for the primary purpose of performing labor as healthcare workers submit a healthcare worker certification. This rule includes those seeking a temporary (H1B) or permanent occupational visa or Trade NAFTA (TN) status.

WHAT IS THE VCVC PROCESS?

The U.S. Citizenship and Immigration Services (USCIS) granted NBCOT approval to issue healthcare worker certificates to individuals coming to the United States to practice in the field of occupational therapy. For this purpose, NBCOT administers a Visa Credential Verification Certificate (VCVC) process.

Applicants who successfully complete the VCVC process receive a VCVC certificate which meets the USCIS requirements. A summary of the requirements for issuing a VCVC are highlighted on the following page.
VCVC Criteria

NBCOT looks at specific criteria for issuing a Visa Credential Verification Certificate:

▶ **Education**: The occupational therapist’s education must have been found comparable with current U.S. standards at the time they were certified. Currently a master’s degree in occupational therapy is required to take the NBCOT Certification Examination for OCCUPATIONAL THERAPIST REGISTERED OTR®.

▶ **Training**: The occupational therapist’s fieldwork must be comparable with that required of a current U.S.-entry-level educated occupational therapist.

▶ **English-language Proficiency**: The occupational therapist MUST attain a passing score on the English-language proficiency examination (TOEFL iBT®). Please see requirements and exemptions on page 6.

▶ **License**: All current and previously held licenses, registrations, and certifications must be verified and unencumbered. All work as an occupational therapist must be verified as meeting the requirements of the jurisdiction.

▶ **Examination**: The occupational therapist MUST attain a passing score on the NBCOT Certification Examination for OTR. For information regarding the certification examination, please refer to the NBCOT Certification Examination Handbook, found online here.

To apply for a VCVC, applicants must submit a valid application with all required documentation to NBCOT. This includes the VCVC application and payment; an official transcript; VCVC Program Director Form; Verification of OT License, Registration, Certification or Other Form of Official Government Recognition Request form; and International Verification of Academic Credential Form.

English-language proficiency test scores must also be submitted to NBCOT through Educational Testing Service. Please refer to page 6 of this handbook for more information.

All documentation must be submitted to NBCOT directly from the primary source. For example, an official transcript must be sent directly from the registrar’s office; verification of an occupational therapy license from another country must be sent directly from the country’s regulatory agency. Documents that are not sent from the primary source will not be accepted and may delay processing of the VCVC application. The VCVC application is not considered complete until NBCOT receives all required documentation.

**VCVC Application**

To apply through the VCVC process, applicants must submit a completed VCVC application with payment. Refer to Appendix A of this handbook for instructions on how to complete the application and Appendix B for the paper application. An official passport-size, front view photo of the applicant with the applicant’s signature on the lower front section of the photo must also be attached to the application.

If the applicant has had a name change since taking the certification examination, copies of two forms of official documentation reflecting the name change must be submitted with the VCVC application.

**Official Transcript**

After submitting the VCVC application, applicants must arrange to have an official transcript submitted to NBCOT from their college/university. The official transcript must be sent directly from the registrar’s office and must be in a sealed envelope with the school’s official seal or stamp. If the original transcript is not in English, an official English translation must also be submitted.

Internationally educated applicants who applied for Occupational Therapist Eligibility Determination (OTED®) through the online application system do not need to submit new transcripts. Applicants who applied for OTED through the paper application MAY BE REQUIRED* to submit another official final transcript.

*If NBCOT does not have the transcript(s) on file.
REQUIRED DOCUMENTATION
To apply for a VCVC, applicants must submit a valid application with all required documentation to NBCOT. This includes the VCVC application and payment; an official transcript; VCVC Program Director Form; Verification of OT License, Registration, Certification or Other Form of Official Government Recognition Request form; and International Verification of Academic Credential Form.

English-language proficiency test scores must also be submitted to NBCOT through Educational Testing Service. Please refer to page 6 of this handbook for more information.

Documents that are not sent from the primary source will not be accepted and may delay processing of the VCVC application. The VCVC application is not considered complete until NBCOT receives all required documentation.

VCVC Application
To apply through the VCVC process, applicants must submit a completed VCVC application with payment. Refer to Appendix A of this handbook for instructions on how to complete the application and Appendix B for the paper application. An official passport-size, front view photo of the applicant with the applicant's signature on the lower front section of the photo must also be attached to the application.

If the applicant has had a name change since taking the certification examination, copies of two forms of official documentation reflecting the name change must be submitted with the VCVC application.

Official Transcript
After submitting the VCVC application, applicants must arrange to have an official transcript submitted to NBCOT from their college/university. The official transcript must be sent directly from the registrar's office and must be in a sealed envelope with the school's official seal or stamp. If the original transcript is not in English, an official English translation must also be submitted.

Internationally educated applicants who applied for Occupational Therapist Eligibility Determination (OTED®) through the online application system do not need to submit new transcripts. Applicants who applied for OTED through the paper application MAY BE REQUIRED* to submit another official final transcript. *If NBCOT does not have the transcript(s) on file.

VCVC Program Director Form
The Program Director Form verifies that the applicant has completed the required fieldwork experience. Internationally educated applicants who applied for OTED through the online application system do not need to submit a new Program Director Form. Applicants who applied for OTED through the paper application MAY BE REQUIRED* to submit another Program Director Form. The applicant must complete the Applicant section of the form; the college/university's occupational therapy Program Director should complete the rest. The completed form must be sent directly to NBCOT by the Program Director. Please refer to Appendix C for a copy of the Program Director Form.

*If NBCOT does not have the Program Director Form on file.

Verification of OT License, Registration, Certification, or Other Form of Official Government Recognition Request
All licenses, registrations, and certifications for occupational therapy must be verified by the government regulatory authority that issued them. A Verification of OT License, Registration, Certification, or Other Form of Official Government Recognition Request form must be submitted for each license/registration/certification that the VCVC applicant currently holds or previously held. Any temporary permits or licenses held for occupational therapy must also be verified by a regulatory authority. It is not required to provide verification of membership to professional associations.

The applicant must complete the Applicant section of the form; the regulatory authority should complete the rest. The completed form, and any applicable supporting documentation, must be submitted to NBCOT by the regulatory authority. Please refer to Appendix D for a copy of the Verification form.

An official government website may be used as verification of a license/registration/certification if the website contains the applicant's licensure history and all pertinent licensing information (e.g., issuance and expiration dates, license status, and date(s) of lapse in licensure). The applicant may print the information from the website and submit a copy to NBCOT in place of the Verification form.

International Verification of Academic Credential Form
This form is intended to supplement the applicant’s official transcript. It only needs to be submitted if the official transcript does not contain all the pertinent information (e.g., degree title, graduation date, academic credential and academic curriculum).

The applicant must complete the Applicant section of the form; the college/university’s registrar should complete the rest. The completed form must be sent to NBCOT directly from the registrar’s office. Please refer to Appendix E for a copy of this form.
**AFTER THE VCVC APPLICATION: WHAT TO EXPECT**

**Review Process**

Once the VCVC application and all associated documentation have been received, NBCOT will review all materials to ensure that:

1. The required items have been submitted.
2. All documents are original, authentic, and have been sent directly from the primary source. Any documents that appear to be falsified will be rejected and will result in the closure of the applicant’s VCVC file. (See page 10 for details.)
3. The VCVC applicant meets the criteria established for occupational therapists in the U.S.

The review time of a VCVC application will vary depending on the completeness of the application. If it is determined that additional information is needed or the application is incomplete, NBCOT will notify the applicant by e-mail. It is the applicant's responsibility to follow up with any educational institution or regulatory authority to ensure proper submission of documents. **NBCOT will not** directly contact any agency to request materials.

The review process will be delayed until NBCOT receives all required information. Applicants should keep in mind that factors beyond the control of NBCOT, such as overseas mail processing times, may also influence the amount of time it will take to review an application.

**Notification of the Decision**

When it has been determined that all requirements and criteria have been met, the VCVC application will be approved. Within ten (10) business days after the application's approval, NBCOT will mail the VCVC certificate to the applicant using the preferred mailing address provided. The certificate is valid for five (5) years from the issuance date.

If the VCVC application is denied, NBCOT will notify the applicant in writing. The notification letter will list the deficiencies that led to NBCOT's decision to deny the application and will also include suggestions for correcting the deficiencies.

**Appealing the Decision**

If NBCOT denies the VCVC application, the applicant has the right to appeal the decision in writing. The appeal letter must state the grounds for the appeal and the reason(s) why the application should be accepted by NBCOT. The letter should be sent via traceable mail with signature confirmation (e.g., certified mail) and must be postmarked no later than sixty (60) days after the applicant receives the denial letter from NBCOT. Appeal letters should be sent to:

NBCOT, Inc.
Attn: President/Chief Executive Officer
One Bank Street, Suite 300
Gaithersburg, MD 20878
Immigration Regulations and Visas

Information regarding immigration regulations and visas may be obtained from each country’s U.S. embassy and consulate.

State Regulatory Laws

All U.S. states and jurisdictions have licensure requirements that must be met before an occupational therapist can practice in that state/jurisdiction. Before an occupational therapist begins to practice in a state/jurisdiction, it is essential that all state licensure requirements are met. To practice without a license or permit is against the law. Information on occupational therapy state boards can be found at www.nbcot.org/Regulators/Home.

NBCOT officially provides states and jurisdictions with the names of individuals who have been approved for VCVC. This list is posted on the NBCOT website in the State Regulatory Board Administrator Portal.
VCVC REACTIVATION, CLOSURE, REVOCATION, REPLACEMENT, AND RENEWAL

Reactivation

VCVC applications are active for one year from the date of receipt by NBCOT. Applications not completed within one year will become inactive. Applicants who wish to reactivate their VCVC application should submit a VCVC Application Reactivation Request Form and the appropriate fee. To access the form, please visit www.nbcot.org. Once NBCOT receives the Reactivation form and fee, the VCVC application will be reactivated for another one-year period. For additional information about reactivation, contact NBCOT at international@nbcot.org.

Please note: Any VCVC application that is inactive for more than two (2) years will be closed.

Closure

An applicant’s VCVC file will be permanently closed if it is discovered that the applicant, or a third party on behalf of the applicant, submitted falsified or altered documents. Due to the serious nature of falsifying official documents, NBCOT has the obligation to notify the appropriate local, state, and federal agencies if falsified documents are received.

Revocation of VCVC

A VCVC will be revoked if:

1. It is determined at any point that the individual was not eligible to receive a VCVC.
2. It is determined at any point that the individual violated the NBCOT Candidate/Certificant Code of Conduct and their NBCOT certification has been revoked.
3. The individual’s state license is sanctioned. NBCOT will investigate the issue and may determine that the VCVC should be revoked.

If the VCVC is revoked, the individual must return the certificate to NBCOT. The individual’s visa certificate number will be voided. NBCOT will notify the appropriate authorities of the VCVC revocation.
Replacement VCVC

In the event that a VCVC certificate is missing or a replacement certificate is needed because of a name change, NBCOT will issue a duplicate certificate. Those who wish to order a duplicate certificate should submit a VCVC Duplicate Certificate Request Form and the appropriate fee. The form can be found online here.

VCVC Renewal

The VCVC certificate is valid for five (5) years from the issuance date. Unless the VCVC certificant has obtained a permanent visa or has become a U.S. citizen, the VCVC certificate must be renewed every five (5) years in order for the certificant to continue practicing in the U.S. Certificate holders with a valid employment authorization document issued by the United States Citizenship and Immigration Services must check with their state licensing boards on whether or not to renew their certificate. Certificants will need to provide updated employment information as well as licensure status in order to complete the VCVC renewal process. NBCOT recommends that certificants submit their renewal applications two to three (2-3) months prior to the certificate VCVC Valid Through date. For more information regarding the VCVC renewal process, please refer to the VCVC Renewal Handbook, available online here.
